Notes

- Skill level: intermediate
- The first st on each round is worked as a standing st, if nothing else is said. Or use your preferred method.
- Join each round with an invisible join, or a sl st in the first st
- Stitch count in (-) at the end of each round
- Color code (A-D as above) at the beginning of each round
- Not all skipped stitches are mentioned in the pattern. If a stitch isn't mentioned, it should be skipped
- Your work may appear slightly wavy after some rounds, but will be flat as it becomes larger
