

Amigurumi Cute Doraemon – Free Crochet Pattern (Beginner Friendly)

This tutorial will guide you step by step on how to crochet a cute Doraemon face. The instructions are written in simple English, perfect for beginners.

Materials Needed

- **Yarn:**
 - White (for the face)
 - Blue (for the border/head)
 - Red (for the nose and mouth detail)
 - Black (for embroidery, whiskers, and mouth)
 - **Hook:** 2.5 mm – 3.5 mm (depending on yarn thickness)
 - **Tapestry needle** (for sewing and embroidery)
 - **Scissors**
 - **Optional:** Stitch markers
-

Abbreviations (US terms)

- MR = Magic Ring
- ch = chain
- sc = single crochet
- hdc = half double crochet
- dc = double crochet

- sl st = slip stitch
 - inc = increase (2 stitches in same stitch)
 - dec = decrease (single crochet 2 stitches together)
-

Step 1: Crochet the Face Base (White Part)

1. Start with **white yarn**.
2. **Round 1:** Make a **magic ring**, 6 sc inside (6).
3. **Round 2:** 2 sc in each stitch (12).
4. **Round 3:** (1 sc, inc) repeat around (18).
5. **Round 4:** (2 sc, inc) repeat around (24).
6. **Round 5:** (3 sc, inc) repeat around (30).
7. **Round 6:** (4 sc, inc) repeat around (36).

👉 This forms a flat circle that will be Doraemon's face.

Step 2: Add the Blue Border (Head Outline)

1. Switch to **blue yarn**.
2. Continue working in the round:
 - **Round 7:** sc around (36).
 - **Round 8:** sc around (36).
3. Finish off with a **sl st**, cut yarn, and weave ends.

👉 Now you have the Doraemon head base with the blue outline.

Step 3: Crochet the Eyes

1. With **white yarn**:
 - **Round 1:** Magic ring, 6 sc (6).
 - **Round 2:** 2 sc in each stitch (12).
 - Fasten off. Make **two eyes**.
 2. With **black yarn**, embroider or crochet a small circle for the pupils:
 - Magic ring, 6 sc, close tight. Sew in center of white eyes.
 3. Position both eyes close together and sew onto the top middle of the face.
-

Step 4: Make the Nose

1. With **red yarn**:
 - Magic ring, 6 sc inside.
 - Pull tight, fasten off, leaving a tail for sewing.
 2. Attach the nose in the center, just below the eyes.
-

Step 5: Embroider the Mouth and Whiskers

1. With **black yarn** and a tapestry needle:
 - Draw a vertical line starting below the nose.
 - Curve the line into a smile shape (like in the photo).
 - Add **3 whiskers on each side** of the face.
 2. Secure yarn ends at the back.
-

Step 6: Add the Finishing Details

1. Use **red yarn** to embroider a small line under the smile (to represent Doraemon's mouth).
 2. Adjust all shapes and tighten loose stitches.
 3. Optional: Add felt or safety eyes if you want a firmer look.
-

Tips for Beginners

- Keep stitches even and not too tight.
 - Use a stitch marker to track rounds.
 - If your circle curls up, switch to a bigger hook.
 - Practice magic ring separately before starting.
-

Final Result

You should now have a **cute Doraemon face applique**, perfect as:

- A coaster
- A patch for a bag or clothes
- A keychain decoration
- A fridge magnet (if you glue a magnet at the back)
